

Education in the Schools Own Backyard

How much do you know about Sachem Central School District or your own School District? This class is a must if you work in the district. The goal of this class is to educate teachers about the history of Sachem and all the educational activities one can integrate on the school grounds that meet New York State educational requirements for students. This course will help you instill a sense of school pride among your students and make them appreciate the world around them. This course will demonstrate to teachers that the Sachem Central School District or your School district contains a vast and interesting history as well as a vast amount of resources on the school grounds to enhance students' lessons that meet NYS standards.
